

**IRVINE UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

BARBARA QUINLAN

OCCUPATION: Community Board President

As PTA president, I have seen first hand the dedication and hard work of Irvine parents. Our community is committed to quality education for our children.

I have been an active participant in the Irvine School system for 11 years. I've served as Vice-President, then as PTA President at my children's Elementary school. As PTA Council President, I worked with many community organizations and represented the Irvine School District. I've served on IUSD committees and I am a member of the Community Committee of IPSF. I am very active with my church, serving on the council, as a youth ministry volunteer, and as Chairperson of the Christmas Adopt-a-Family program for 10 years. I have a Bachelor of Science in Business Administration. My husband Michael and I have been married 19 years. Our three children have attended Irvine schools.

As a member of the School Board, I will work to ensure that Irvine schools continue their commitment to excellence, maintain a budget that is fiscally sound, and give priority to the programs that parents want.

I am dedicated to making Irvine Schools the best for our children.
I would appreciate your vote.
